Annual Regional Convention and Elections This Month!

Final preparations are underway for our annual convention. This year it will be held at Shangri-La Ranch from July 30 to August 1. The park is located an hour north of Phoenix, Arizona and all AANR members living in the eight western states are invited to attend and to participate, whether they belong to one of the 34 affiliated clubs in the 8 western states or not.

At this annual meeting we have three days of fun events as well as meetings, designed to make everyone’s attendance a meaningful experience. There will be inter-club sports competitions in water volleyball, pickleball, and billiards, as well as Friday Night Karaoke, a Saturday DJ Dance, and an Ice Cream Social.

The serious party of the weekend will be the Regional Assembly on Friday and Saturday mornings where your ideas and suggestions for improving our service and operations get discussed and voted on. You can attend this meeting either in person or via online videoconference using the login codes provided (see below).

At the Assembly, each club gets to vote on a formula based upon its number of members with larger clubs having more votes. However, AANR members not affiliated with a club may vote also.

Unlike last year when COVID restrictions were in place, remote delegate voting will not be permitted at this Regional Assembly: you must be present to vote.

At this important meeting there will be a change in officers and directors, as some are term-out. If you are interested in serving on the Board, contact VP Jeff Tendick at conair.scunci@gmail.com before the convention (sooner, if possible, please!)

Shangri-Ka informs us they still have some rooms available for rent and also dry camping sites if you prefer. Contact their office at (623) 465-5959 or via email at joinus@shangrilaranch.com for further information.

Important! Club Credentials

Reminder: AANR-West has mailed credentials packets to all club presidents to confirm their participation in the convention. Clubs need to mail back a signed delegate form listing the names of those club members who will be their delegates and alternates to the convention. Also included in the packet will be nomination forms should anyone wish to run for a seat on the Board of Directors for AANR-West. There are four open seats this year, as well as the offices of president, vice-president, secretary.

In the packet you will also find forms to nominate any worthy Man of the Year, Woman of the Year, and Family of the Year. We want these awards to be given to the unsung heroes in the clubs who work very hard and deserve some recognition. Please send them back with the names of anyone in AANR-West you feel worthy. We need to receive your signed delegate form plus any Award nominations before July 19.

Mail them to Cyndi Faber at Shangri-La Ranch, 44444 N Shangri-La Lane, New River, AZ 85087.

Annual Hair-Raising Fund Raiser

A highlight of the weekend – or should we say HAIR-light is our annual fundraiser for the Scholarship Fund. We usually raise several thousand dollars at this event. The proceeds go to next year’s Scholarship winners. This year the event will be hair-raising: we are going to shave Secretary Anny Walden’s head. How much is shaved depends on how many donations we receive! The photos below are from last year’s hair-raising event. So, bring your checkbooks and extra cash to the convention and contribute to a worthy cause!

How to Remote Login to the Meeting:

Please join our meeting remotely from your computer, tablet, or smartphone. You do not need to download any special application. From your Internet browser, go to:

Kids Camp Week A Success
By Claudia Kellersch, Camp Coordinator

A small team of staff and volunteers welcomed six amazing kids aged 12 (three), 14, 15, and 16 years old for a week of Kid’s Camp fun.

The host club was Olive Dell Ranch this year, and park manager Becki, with the help of super-volunteer Lori, prepared and served a different breakfast each day, easy kids favorites for lunch and four out of the seven dinners. The other dinners were served after field trips by the group during the week:

We went to Rubio's Fish Tacos after a day at Blacks Beach in San Diego. Later in the week, the group enjoyed Mexican food at Casa Jimenez after a nature walk and soak at Deep Creek Hot Springs. Saturday night, the group participated in Naked Archery Night in Fullerton sponsored by Orange County’s NitOC (“Naturist in the OC”) nudist club. Later they shared sandwiches and pizza. A big thanks to volunteer “dad” Ron, who did a great job organizing the excursions.

A special thanks to our camp program director, Michael Bootzin (whom we all called “Bootz,”) who skillfully engaged kids in activities at their own age level. I think the kids really grew in their social and emotional skills and had endless fun throughout the week.

Among the favorite activities disclosed at the end of the week were the epic pudding fight, the balloon toss competition, the nighttime “campfire wisdom exchanges,” and a workshop on healthy/unhealthy touching. Several kids said making pizzas from scratch was a real (but enjoyable) challenge!

Blair offered a knot-tying workshop, and Claudia led the kids in painting naturist symbols on rocks. There was also an obstacle course challenge set up by Max and Blair.

We ended the week with a variety show involving all kids, performing in front of a large, interested audience of club members Saturday afternoon. The entire camp sang naturist-themed songs of freedom and body acceptance at the grand finale. One mom was brought to tears commenting on the “incredible social progress” of her son during the camp.

All campers and parents wrote on their evaluation forms that they would recommend the camp to other parents, and they all would love to come back next year.

Note: Photo releases have been received from the kids and their parents to publish these photos.

Western Nudist Research Library Hosts Open House

Visitors and Staff Members Enjoy the Library Open House

By Mark P.

If you ever want to research the history of nudism in the U.S., Glen Eden is home to one of four Regional Nudist libraries in the U.S. All the libraries work to digitize all materials for the use of researchers worldwide. Our first Open House over Memorial Weekend (May 29-30) was a huge success. We had 68 visitors over the two days!

We received many compliments for our collection and how clean and organized it was. And several people stopped by with this comment: “So THAT’S what is in this building!” But the advertising of the event, the bright signage, the open doors, and the throng of people all caught their attention.

After each tour, we offered visitors a free copy of *N* magazine and sent them out the side door for conversation and refreshments. Several visitors became members or renewed.

Financial donations always welcome!

Glen Eden’s Red Cross Blood Drive Was A Success.

by Heather F., GE Event Coordinator

We wish to thank all the wonderful members who showed up to donate blood on May 28. We had a full schedule of appointments that day and eight more people became walk-in appointments. The nurses who worked it said they enjoyed the day. One gal used to work our blood drives in years past and she was thrilled to be back. From their rocking music to their beautiful personalities and skill, they made donating a fun and comfortable experience.

Drum Roll…our goal was 25 units of collection. We donated 38 units! We met our goal by 150%. Times that by 3 and that is the number of lives we helped save: 114! They said it was an “impressive” list of appointments and was literally “The Grand Slam of Blood Drives”. Thank you to every one of you for taking the time out of your day to donate during this blood shortage. We look forward to the same success at our Halloween Haunt Blood Drive scheduled for Friday, Oct 29. Tell a friend.
Linda Weber Featured in July H&E Naturist Magazine Article

By Linda Weber, AANR-West Board of Directors

In the July 2021 issue of H&E Naturist, my article on societal issues that may be a barrier to women from trying nudism/naturism is featured in “H&E Naturist,” the UK’s longest-running naturist magazine.

I was recommended to the magazine by Donna Price, the WINR representative for British Naturism, about two years ago. I recently finally found the time to sit down and produce an article for the magazine. The article has been well-received, and I have been invited back to open another one.

Donna works closely with Editor and Owner Sam Hawke, an amazing woman, and a dedicated supporter of naturism. Both Donna and I maintain a considerable social media presence. The work we do mirrors each other, although we are on different countries.

We have similar challenges with getting women to try nudism, so it is nice to share success stories. In addition, it is great to have a supporter and someone who understands the issues that women face and gain a different perspective on how to address these challenges.

Glen Eden Will Host FREE Women’s Open House July 10

Life is full of surprises, and you never know what great things can happen if you simply keep an open mind and let “the powers that be” lead you. This could be the mantra for women who have that little voice in their heads urging them to visit a nudist resort. Glen Eden Sun Club is having a Women’s Open House Day for first-time women visitors to allow for a gradual introduction to enjoying nude recreation.

**July 10th 10:00 am to 2:00 pm, we will welcome first time female guests and clothing is optional during this time.**

Gate fees are waved, and no nude tour is required, though we're sure the ladies will want to see all of our amenities, including sports, yoga, Zumba, art studios, etc. We're hoping they'll stay past the open house and enjoy GE.

Refreshments and appetizers will be provided and lots of interaction with female ambassadors to answer questions and share impressions. New female guests will receive a gift of a wrap, a free second-day pass and a gift bag provided by the pottery studio. Contact our office to make reservations at 951-277-4650.

Reminder: July 15 is Deadline for 90th AANR-versary Photos

AANR’s Birthday is right around the corner! Clubs are reminded to take a photo on or about July 10 of your members celebrating this occasion and email it to the AANR main office no later than July 15 so it may appear in the September issue of *The Bulletin*. Prizes will be awarded for the most creative way “90” is used in a photo.

One suggestion is for their members to take a group photo spelling out “90,” either by ZOOM, or by arranging nude bodies to form the number in a pool or having people hold up individual “90” signs on a lawn, etc. Individual members not affiliated with a club are also asked to participate in the photo contest also, and to find creative ways to incorporate the “AANRversary” theme. Anything that embodies the spirit of the 90th celebration is welcome.

**AANR News**

**AANR Preparing for its International Convention in Texas**

The 2021 AANR International Convention will be held Monday, August 9 through Saturday, August 14 hosted by Star Ranch Nudist Resort in Texas. The park is located in the hamlet of McDade (population 700) about 55 miles east of Austin. The convention was supposed to be held there in 2020, but the event was converted to a ZOOM videoconference instead due to the COVID pandemic. The park is planning many fun workshops and some amazing food-centric events with live entertainment. Reservations on the grounds are almost sold out except for some camping spots. However, the park has arranged for a block of rooms offsite at a nearby hotel. Business meetings begin on Wednesday August 11.

This is the “off-year” for elections so no new officers will be installed. The 7 Trustees have several full days planned, listening to committee reports on Membership Marketing, Public Relations, Diversity, Social Media, and Young Adults, with many policy decisions to make concerning each. There will also be a cart full of awards to hand out to clubs for membership increases, best newsletters, best websites, etc. The Government Affairs Team will present its Man of the Year Award and a committee of the 7 Regional Presidents will announce AANR’s Hall of Fame recipients.

If you are interested in attending, contact Star Ranch Nudist Resort at (512) 273-2257 web site: www.starranch.net.
One of the primary reasons to belong to AANR (besides having fun) is to support our work that protects our right to be nude through legislation and the courts and, where possible, to expand social nude recreation opportunities. Here is what happened this past month in the states in our region:

### CALIFORNIA – 2-YEAR LEGISLATURE

This state has a fulltime two-year legislature, but bills must pass their legislative house of origin by the end of August 2021, or the bill automatically dies.

**California 2021 SB 53.** This bill would make it a crime for a person to knowingly send an unsolicited image by electronic means depicting any person engaging in an act of sexual intercourse, sodomy, oral copulation, sexual penetration, or masturbation or depicting the exposed genitals or anus of any person. The bill would make the crime punishable as an infraction by a fine of $500 for a first offense and $1,000 for a second or subsequent offense. We are opposed to the bill in its current form as it directly affects our nudist websites, publications, and sharing of images between members.

This bill is sponsored by Bumble and is supported by Feminist Majority and the California Women’s Law Center. **AANR-West opposed the bill in its current form as it directly affects our nudist websites, publications, and sharing of images between members.**

After several committee hearings, the bill was finally put in the inactive file by its author in mid-June, meaning it is dead for this year.

**California 2021 AB 307** Covers the same territory as SB 53 but focuses on lewd intent when images are distributed, and it requires registration as a sex offender if the person is convicted. **No committee hearing date had been set yet, meaning it may also be dead. We are watching it.**

### WYOMING

The State Park Superintendent issued emergency regulations on June 23 prohibiting camping longer than 14 days, prohibiting alcohol containers over 2 liters in size, restricting dogs and other pets off-leash, music after 10 pm, and other similar things.

It also **prohibits nudity** with a penalty of a $750 and/or aix months in jail.

It appears to be a response to homeless encampments stating to pop up in the parks and gives rangers the authority to clear them out.

We only have a few members living in this state but consider this a head’s up in case you planned to skinny-dip on a visit to any of the state park lakes or beach locations.

### ACTIVIST MARCH FOR TOPLESS EQUALITY IN FORT BRAGG, CA

Fort Bragg, CA - Local top freedom activists stages a protest rally on June 28 to support a change in the local city ordinance that gives men different rights than women. An estimated 25 women participated, many in festive body paint, feathers, and body jewelry. Several had slogans painted across their chests, such as “My Boobs are Legal!” and “Freedom!”

Protesters said the rally was in support of Marie Willa Bobo-Smith, 57, a local transgender woman. Bobo-Smith addressed the crowd at one point, stating: “Since I was a kid, I have always walked through town without a shirt for health reasons. Nobody cared. Suddenly, since my transition, I am the target of hate mail and phone calls, and it is very hurtful. This inequality isn’t fair.”

The protest group proceeded to march through downtown which was busy at the time with an influx of summer tourists. The marchers walked on the sidewalk waving and carrying signs that said, “I am with her,” “Equality has no gender,” and “You have boobs too!” Rally organizers said the onlookers cheered. No comment from city officials.

The town of Fort Bragg is a quiet little town of 7,000 on California's Mendocino Coast. It should not be confused with the larger Army base of the same name in North Carolina.

- GLEN EDEN SUN CLUB

Tiki Island Weekend

The mysterious tropical ways of the tiki islanders took Glen Eden by storm, literally, there was a storm, on the weekend of June 19-20, blowing in with a tsunami and out with a volcano (at least a theoretical one). Scores of happy nudists, freed from the constraints of clothing by the benevolent gods, enjoyed a dramatic play around the pool, ukulele tunes, savvy karaoke songsters, fantastic bands, and a luau. We even had a few of our own up on stage with the Pat Enos and the Smokin’ Menehunes doing the hula, playing the drums, and generally being embarrassed in front of a crowd. What could be better than that? There was no poi involved in the making of this weekend, but there were a lot of volunteer hosts, actors, musicians, singers, servers and ticket takers who must be thanked from the bottom of our Hawaiian hearts. Okole Maluna—that means Bottoms Up!

Independence Weekend, July 2-5

GE will host the following activities: a Friday night DJ Dance, Saturday afternoon music by the pool, and Saturday evening a band dance featuring The Decadent Decades. Sunday afternoon music, plus David Winston’s Mind to Mind” Mentalist Show. Sunday evening is a DJ Dance with Alicia. There will also be music Monday afternoon, completing the long holiday weekend.

• **SUNS (ST. GEORGE)**
Please note that we will begin our events at 11:00 am for the next few months to avoid some of the summer heat. On June 12 we enjoyed some great sunshine, pool time, buffet foods and conversation.

At our June 26 pool party, we had a record turnout of 23. “We had our buffet lunch as usual and enjoyed meeting quite a few new folks. We are so happy to see the group grow!”

At its recent annual general meeting, the members of the SUNS club(s) approved the following three proposals:

1. By a vote of 27-0, membership fees were changed (and reduced) to individual only, and the couples discount was eliminated.

2. By a vote of 29-0, the club extended SUNS memberships paid during 2020 to the end of 2021 in deference to the difficulty attending in-person events due to COVID. All current members who joined during 2020 will have a membership renewal date of January 1, 2022. All members who join during 2021 (and subsequent years) will have a renewal date 12 months after their join date.

3. By a vote of 22-6, the use of light alcohol at parties was approved. This does not include marijuana. Individuals who become inebriated and discourteous will be asked to leave and may have their membership rescinded.

**BRITISH NATURISM IS BOOMING**
A June 14 story in the Daly Star newspaper declared that nudism in the United Kingdom is booming again, with over 1,100 new members since the start of the year.

The interview with Dona Price, who runs the Women in Naturism Campaign for BN, says that female membership has always been around 30% of the total but since COVID began she has seen a surge in interest. She attributes this to more people being naked at home during the pandemic, feeling comfortable in their bodies, and now they are seeking other places to enjoy it with others.

The World Naked Bike Rides Are Back!

For the past six years, AANR-West has co-sponsored the Los Angeles World Naked Bike Ride through Los Angeles. Other AANR regions and clubs are starting to do this also in their various cities.

After a year’s hiatus due to COVID concerns, the World Naked Bike Ride is coming back to cities around the globe. Organizers are seeing an increase in participation from previous years and the number of cities allowing the ride is expanding.

Bike Rides have already been held at:

- Byron Bay (NSW, Australia) – March 14
- Cape Town – March 13
- New Orleans – April 20
- San Francisco – April 24
- Vancouver June 12
- Toronto – June 12

Bike Rides scheduled during the summer include:

- San Francisco – July 4 (second ride)
- Montreal – July 17
- Chicago – August 14
- London – August 14
- St. Louis – August 28
- Los Angeles – Sept. 18

Typically, these events attract several hundred riders each. This year, organizers in the cities that have completed their rides reported increases from 20% to 30% more this year.

In Portland, Oregon, usually the largest ride in the world, The event attracts over 20,000 riders. This year, organizers decided to not hold a single event due to pandemic concerns. Instead, they are hosting monthly events through the summer on the night of the full moon, where people are encouraged to wear a mask and nothing else.

In London, the target date is August 21. It will start at five different locations around the city, each taking a different route and converging on Hyde Park for a rally afterwards.

At many (but not all) of these rides, participants are asked to wear a mask. That request may disappear the farther away we get from local pandemic restrictions.

**Purpose of WNBR**

THE WNBR was first organized in 2004 and it is now seen in over 200 cities worldwide. The purpose of the World Naked Bike Ride is:

- A lighthearted protest against our dependence on fossil fuels.
- A commentary on the vulnerability of cyclists and other less protected users of the road. That’s the naked part!
- A celebration of positive body image for all and an expansion of our social boundaries.

There will be a body-painting booth for those who want to decorate their bodies with colors or signs. Some people bring guitars or other musical instruments. It resembles a large naked street fair.

Naked Bike ride welcomes all kinds of bikes: fixies, electric bikes, tandems. or (in the London ride) even a chariot or two You don’t have to be nude to participate! The phrase we use is: “Be as Bare as You Dare!” Everyone is welcome to join, registration is not required and there is no cost to participate.

The World Naked Bike Ride is sustained by support from the community. Participants are highly encouraged to donate any amount.

**Los Angeles September 18**

For the Los Angeles ride, the staging area in downtown near city hall is kept secret until about 24 hours before the start to avoid attracting gawkers and paparazzi. In Los Angeles at least, the police have approved the 10-mile route and are even providing an escort to clear the way and help prevent potential spectator misunderstandings along the way.
