News from the Western Region of the American Association for Nude Recreation

March 2019

Vol 3 No 03

The very busy AANR-West booth at the LA Travel and Adventure Show.

## Nude Recreation Booth at L.A. Travel Show Draws a Large Enthusiastic Crowd

By Rolf Holbach, SCNA Club President

AANR-West once again sponsored a booth at the show to talk to those attendees interested in exploring the places and opportunities for nude recreation around the western USA. Despite the cold temps and threat of rain the show drew big crowds each day. This year the Travel Show drew close to 38,000 visitors over the weekend of February 16 & 17.

As in years past we had a variety of local clubs represented in our booth. On Sunday we had an enthusiastic young couple from Olive Dell, Blake and Elizabeth, help us out (check out their new website/podcast at: <https://ournakedstory.com/>).

We gave out several hundred brochures and handouts from virtually all the clubs and resorts in the west. One of the main attractions to the booth was our banner and flyers for the **World Naked Bike Ride**. Many people who don't consider themselves nudists were excited and interested in the ride. (The ride through downtown Los Angeles is scheduled for Saturday June 22.)

We also had a prize wheel to giveaway promotional items from AANR-West. The most popular prize wheel giveaways were the keyring flashlights and nice gel writing pens. Kids of all ages loved winning beach balls.

We also gave away "Nudist and I Vote" buttons, but only to people who promised to wear them the rest of the day around the exhibit hall. Wearing the pins prompted interest around the exhibit hall and drove business to our booth as others wanted their own pin.

*Note: These "Vote" pins are available through the AANR main office, if clubs are interested in giving them out themselves.*

Almost 250 people signed up for the raffle prizes provided by the Clothing-Optional Home Network. They gave away 2-night stays at two of their B&B's, Arroyo Del Sol in Altadena and Lagoon Del Sol in Phoenix. We also had a weekend stay and two beach towels donated by Glen Eden for the raffle.

The Travel Show was held at the LA Convention Center. There were just over 500 booths and workshops featuring different travel destinations from around our nation and the world, plus various travel products.

Our booth was strategically located on the intersection of two main aisles, so we got maximum foot traffic exposure.

## "Happy Nude Year" Comedy Night Review

The February 9 "Happy Nude Year" Nude Comedy Night was a sellout at the Two Roads Theater in Studio City! There were nearly 50 fans of these nude shows attending with at least one quarter of the audience for which this was their first socially nude experience

Returning to host was Blaize, who introduced the Open Mic for audience members who wished to get up on stage to sing or tell a few jokes or stories. Then we were treated to funny sets by Lauren Sloan, Kevin Lahaie, and Lisa Laureta. The hilarious "Wrinkled Rebel", Marty Ross, rounded out the show as headliner.

If you're interested in attending the next show, sign up for the newsletter at [www.NudeComedyLA.com](http://www.NudeComedyLA.com)

*Note: AANR-West has been a co-sponsor of this semi-monthly event in Los Angeles for the past three years. What makes it unique is both the audience and all the performers are required to be nude.*

*The show is almost always a sellout at \$25/seat. We encourage clubs in other parts of our region to seek out venues they can rent to host their own Nude Comedy Night as it is a great way to introduce new people to social nudity!*

## SCNA Oscar Party Was A Popcorn of Delights

The Southern California Naturist Association (SCNA) club hosted a party to watch the Academy Awards on Sunday, February 24. 17 people attended and had a great time discussing the merits of different movies and also critiquing the runway fashion show beforehand.

The club passed out Oscar ballots before the show started to those interested in competing to see who could guess the most winners. There was also a \$5 BINGO card for those who spotted various things in the show like the first female pantsuit, first to acknowledge their mother, first to make some social/political remark, etc. The winner guessed 17 winners right out of 24 awards.

While it was not a pot-luck, several members brought finger food to supplement the big bowls of popcorn provided by our hosts. The club provided the soft drinks and water, but champagne and other light alcoholic drinks were also enjoyed.

The group agreed the most memorable acceptance speech came from Rayka Zehtabchi, winning for the Short Subject Documentary "Period. End of Sentence" when she exclaimed: "I can't believe a film about menstruation won the Oscar!"

## Shangri-La Ranch Blood Drive

Sunday February 24 – Twenty-two members and guests of Shangri-La generously donated pints of blood. These donations went to patients in need across the state. Earlier in the week AZ was hit with a winter storm, placing a higher demand on blood than expected.

Jeff Tendick, AANR West director, contact a local ice cream shop whom graciously donated coupons for those who donated; an added treat.

Due to health and safety reasons donors needed to be dressed for their donation. One visitor was surprised that SLR was hosting such an event, to which someone replied, "blood is blood."

This is a great way to give back to the community and show that nudists are just like everyone else.

## Olive Dell Ranch Announces 10th Annual 5K Nude Run April 28

COLTON, Calif. – Olive Dell Ranch has announced the date for its tenth annual nude running race, the Bare Burro 5K Trail Run: Sunday, April 28.

"The Bare Burro is a 5K like no other," Olive Dell Ranch owner Becki Kilborn said. "We changed the course again this year — it's backwards from last year. We're always making it more challenging because people see this as a serious running race."

The local wild burros often visible from the course inspired the punning name of the race, because competitors run the race bare ass (aka. "burro.") More than 250 runners completed the course in 2018. The Bare Burro has been featured in the calendar section of Los Angeles alternative newspaper *LA Weekly*, and the 2016 Bare Burro was featured in *OC Weekly* and was the subject of a two-page article in the British naturist magazine *H&E*.

Running shoes are strongly recommended for runners on the gravel and dirt course, but nudity is not an "option," it's a requirement for the race.

"We're a nudist resort, and we expect our runners to get with the program. Many dedicated runners are fine with it: 'You want us to run with no clothes on? Okay.' Then we don't see them again until the next year," Kilborn chuckled.

"When it's cool early in the morning, everybody is dressed to keep warm, even the longtime nudists, but by race time it warms up.

"After a few minutes, we've found, everybody acclimates, and you forget you're naked until it's time to go home."

The Bare Burro features computerized timing with each runner getting a personalized race time from passing the starting line to their own crossing the finish line. Awards are given to the top three male and female finishers and the top three finishers in each decade age range from under-20 to 70s.

Two additional events have been added for the tenth year. On Saturday, the day before the 5K run, the park will host a Giant Beer Pong game in the morning followed by the third annual Naked Beer Mile in the afternoon. The Beer Mile requires the runners to down a 12 oz. beer (or soft drink) every quarter mile. A Toga Party with live band will take place Saturday night, so those participating in the 5K Burro Run are encouraged to spend the weekend at Olive Dell.

Runners can register for all events through the Olive Dell website at [olivedellranch.com](http://olivedellranch.com). Registration for Bare Burro runners is \$35 in advance, \$40 after April 1, and \$45 the day of the race, if space is available. Bare Burro registration for runners 17 and younger is \$10. Participation is limited to 300 runners, who will all receive a souvenir tote bag and car magnet. Olive Dell Ranch is located at 26520 Keissel Road in Colton, California. Gates open at 8 am Sunday morning and the Bare Burro 5K race starts promptly at 10:30 am.

## Women in Nude Recreation (WINR)

### Sisterhood of Mountain Air Ranch Women's Weekend Celebrated

By Chris May

Sometimes girls just want to have fun! It clears our souls to laugh a lot and share our perspective with one another. This is what the Sisterhood of MAR weekend did for us.

We began our weekend downtown Denver at the Hilton City Center with a Friday Night happy hour, which lasted until almost 1:00 AM.

Saturday was full of shopping, we spent hours in the Overland Store on 16th Street Mall. Every one of us walked out with something furry and soft, what a cool store. Terrylee and Judy slipped away before lunch with their personal driver (Del) to see the Harlem Globe Trotters, while the rest of us enjoyed lunch and cocktails at a sports bar on the mall.

Saturday evening was an adventure in a winter wonderland. We had reservations at the Red Square Bistro in Writer's Square. Fantastic European Dinner (Highly Recommend).

We slip-slided our way up one block to the Clock Tower Cabaret, to see the worst comedy show, ever. It was so bad we laughed it made us crack up at ourselves.

Sunday morning came to quick and we all had to digress back into our everyday lives. Ladies let's do this again!

### SCNA's Dragonfly Ladies Enjoy A Night Out in Pasadena

By Cynthia Holbach

Crab, Shrimp, Clams, And Oysters!

The Dragonfly Women's Group went out for Cajun food in Pasadena on a cold February day in an opportunity to get to know each other better and eat some wonderfully fresh fish with our hands. The restaurant was supposed to open at 3 pm,

but due to understaffing they couldn't give us any service until 4. However, they let us sit inside where it was warm, so we could just talk.

That was a good thing since it took some of the group awhile to get thru the rainy L.A. traffic. We ended up spending 3 – 4 hours in this quaint restaurant eating and catching up with each other. We had 8 women in this group including Amy, a prospective new member. I usually have a question or two that I pose to the group to start a discussion. One was why we like being naked, and the other was what would be our dream naked destination.

Five of us ended back at Cynthia's house until about 10 pm with a few enjoying the hot tub and the rest trying not to get kissed

by her dog, Bailey. This gives us an opportunity to listen and support anyone who has questions and concerns.

The group is usually made up of mostly SCNA women but is different every time. Our future meetings will be when it's warmer and we can use the pool. We would love to have any interested women join us for a fun afternoon at our next schedule get-together in June!

### Women's Appreciation Day Held at Glen Eden Sun Club

1/19/19 – Over 100 women turned out for Glen Eden's Women's Appreciation Day to celebrate together with food, music, and dancing on a beautiful Saturday afternoon. Glen Eden men volunteered their talents to make it a success by serving the food, running the sound booth, and serenading the gathering with a Ukulele ensemble.

### 2-Day Women's Expo Planned in Arizona

AANR-West will be attending the 2-day Women's Expo in Phoenix, Arizona April 27 and 28 by hosting an information booth about family nude recreation and social nudity.

This is the first time AANR-West will be attending the show; new booth backdrops and handout material has been developed to fit the focus of women in nude recreation.

These shows, hosted across the country, are focused on women, family, and travel. Those representing AANR-West will be offering information on women in nude recreation and well as handing out information on the clubs in Arizona and across the region.

Following the Expo, the AANR-West team will follow-up with an offsite and clothed dinner for those women who need more information before giving nudity a try.

Also planned in the future, across the region, are yoga nights, spa retreats, and pamper days. "It depends on what the participants want – we can offer many ways to enjoy social nudity but ultimately the person has to feel ready – we cannot force anyone outside their comfort zone."

Be sure to check the calendar page on the AANR-West website for information on upcoming events in your area. Also follow us on Twitter, and Facebook, AANR Western Region.

**Have a club event happening? We want to know about it! Send your email or text to us at [information@aanrwest.org](mailto:information@aanrwest.org).**

## AANR-West's Nudist Passport Program Off to Fast Start

As of March 5, over 150 passports have been distributed to clubs and individuals. Passport books may also be purchased via PayPal at [www.aanrwest.org](http://www.aanrwest.org), the AANR-West website. Passports cost \$10 online including shipping, but they may be purchased for as low as \$5 at participating clubs.

The Passport program was conceived as a way to have AANR members and their guests visit many different clubs. We especially wanted to encourage our Associate members, who are not affiliated with any club, to feel more welcome at the nudist parks and also at the many non-landed local clubs and bed and breakfast sites affiliated with AANR that are scattered throughout the eight western states.”

Reminder: A raffle will be held in July 2020 for great prizes offered by the various clubs (merchandise, dinners, gate fee coupons, weekend days, etc.) to those who participate in the program and get their books stamped at different clubs and participating events. For more information, see the Home Page of the [www.aanrwest.org](http://www.aanrwest.org) website.

## End of Year AANR Membership Numbers Announced

The AANR main office in Kissimmee, FL released the final membership numbers as of December 31, 2018. AANR lost a net of 550 members for the year, bringing the new total to 30,089. This breaks down to 17,835 members (58.9%) from 172 clubs across the US and Canada, and 12,229 Associate members (40.9%) who are not affiliated with any club.

AANR West lost a net of 150 members, most of that coming from Laguna del Sol (-72) and Glen Eden (-33). The largest gain in the West was at Shangri-La Ranch, Arizona at +47 members. All these numbers are expected to bounce back in 2019.

## Scholarship Period Ends April 30 for College-bound Applicants

As we announced last month, the AANR-West Scholarship Program has been expanded to cover not only those who want to

attend a college, but also a vocational or technical training school; open to all ages, anyone seeking continued education.

College-bound applicants still need to submit their application to AANR-West by the **April 30** deadline, however vocation school reimbursement can apply any time. There will still be up to **two college scholarships** of \$2,000 each awarded every June (we formally announce the winners at the annual summer convention in July).

Second, since **vocational schools**, run courses year-round applications can be submitted at any time. This money is on a first come first serve basis.

The **application form** may be found on our website at: [www.aanrwest.org/scholarship.html](http://www.aanrwest.org/scholarship.html).

## AANR-West Web Site Has Added Many New Improvements

How many of our readers have actually looked through our outstanding web site at [www.aanrwest.org](http://www.aanrwest.org)?

During the past few months, many changes have been made (you should check them out!):

On the **Home Page**, our **Twitter** page entries are visible in a column on the right and visitors can jump there if they choose. The “**What’s New**” section on the home page has been changed to include direct links to our **Passport Program** (also, we have added a PayPal link so people can buy a book directly on line), and the new streamlined **Scholarship** application form also has a direct link from the Home page.

The **Directory** is updated is new clubs, addresses, and links so visitors can go directly to club web sites. We have also added first-timer **discount coupons** from each of the clubs that can be printed directly from the web site.

The **Calendar** has updated listing from all the clubs of their 2019 events. The **Sports** calendar has an updated list of all the **5K runs** scheduled across the region this year.

The News page shows the current **Newsletter** and an archive of all past issues.

**Government Affairs** Has an up to date list of all pending legislation in the counties, cities, and states in our 8 states of the Western Region. We have also added a “**Donate**” button for those who want to contribute to helping our efforts.

Under **Activities**, we have revised the **Photo Gallery** and we have added some new **videos** submitted to us that support nude activities.

**In the future** (hopefully by the end of summer) we will:

- Add more biographies of our local nudist **Pioneers**. We also will add an applet allowing clubs to edit and update their own calendar of events.
- We will update some of the descriptions of our various Activities and **Travel stories** from visits to our clubs.
- We have been asked to add some **movie and book reviews** and we hope our readers can submit their own reviews for to add!
- There has also been requests to add some **sports rules** for nude pickleball and tournament tennis.
- Last, we are considering adding a **Store** when visitors can purchase AANR-West merchandise containing our logo.

We look forward to our readers reviewing the site and making suggestions for even more improvements.

## New Hampshire's supreme court upholds city topless ban by 3-2 vote

Feb 8, 2019 — In a 3-2 ruling, the New Hampshire State Supreme Court found the city of Laconia's nudity ordinance does not discriminate on the basis of gender or violate the women's right to free speech.

The Laconia city ordinance defines “nudity” as “[t]he showing of the human male or female genitals, pubic area or buttocks with less than a fully opaque covering, or the showing of the female breast with less than a fully opaque covering of any part of the nipple.”

Ginger Pierro had challenged the law after her 2016 arrest. She'd gone to a public beach to practice yoga poses topless, and she was arrested after refusing police warnings to cover up. In protest of Pierro's arrest, Kia Sinclair and Heidi Lilley went to another beach in Laconia and exposed their breasts a few days later, also getting arrested.

Writing for the 3-judge majority, Associate Justice Anna Barbara Hantz Marconi stated, “The facts of this case, including the particular way in which men and women differ with respect to the traditional understanding of nudity, are unique... We are told that concepts of morality and propriety are changing; if so, then it can be reasonably expected that public demand will soon make it imperative that this portion of the ordinance be repealed. ... The people of Laconia may make such a decision, but this court will not make it for them.”

Associate Justice James Basset wrote a minority opinion and said he rejected the argument that the ordinance is not discriminatory because, “The challenged portion of the ordinance creates a public dress code which only one gender can violate,” Basset wrote. “This is a gender-based classification.”

Pierro's lawyer, Dan Hynes, said in a statement. “We are extremely disappointed in the Court's ruling that treating women differently than men does not amount to sex discrimination. The court has effectively condoned making it a crime to be female,”

The justices, though, said courts have generally upheld laws that prohibit women from exposing their breasts, citing a Washington Supreme Court case that upheld the different treatment “because there are more parts of the female body intimately associated with the procreative function.”

Authorities in Laconia and Gilford said they will continue to enforce the ordinances. Laconia Police Capt. Allan Graton said

the penalty in his city is a \$250 fine. In Gilford, the ordinance is narrower, covering only the Gilford Town Beach. It carries a \$25 fine.

Similar court cases have had mixed results. In 2017 a federal court block a Colorado city from enforcing a law barring a woman from going topless.

Meanwhile, a Chicago company announced it will offer New Hampshire residents a 10 percent discount on its \$35 flesh-colored bikini tops, which include a painted nipple. **TaTa Tops** said it made the offer considering the New Hampshire Supreme Court decision.

## Board of Directors Meeting

### A Wet Weekend Greet AANR-West Board Members at Lupin Lodge

The AANR-West Board of Directors held their Spring meeting Saturday March 2 at Lupin Lodge in Los Gatos, CA. The night before, most of the team had arrived and we had a great time, sharing dinner and meeting many of Lupin's members and residents. It was Karaoke Night and Ricc and Ernie joined right in with the fun.

About 11pm the sky opened and dumped well over an inch of rain onto the park. We were warm and snuggled in our Yurts as the park provided both room heaters and electric blankets. However, the noise of the heavy rain on our canvas roofs was hard to sleep through! It certainly gave us something to talk about at breakfast!

The Board started work at 9am in the clubhouse restaurant. Claudia and Cyndi ran the first workshop and reviewed the Women in Nude Recreation (WINR) program and plans for the upcoming Women's Expo in Arizona. The Board discussed ways to improve our brand's impact at other trade shows in the future. In the final workshop, the board reviewed the web site and made suggestions for future improvements.

After lunch the Directors came back into formal session.

Gary formed an ad hoc committee to review our budget to see if there were any line items we could postpone in order to save costs, and to investigate other sources of revenue beside membership dues, such as web advertising and a merchandise store. The committee will report back at the summer convention.

Danielle led a discussion on places we can export our message in social media. We are currently on Twitter, Facebook, Tumblr and Instagram. Policy changes on Tumblr and Instagram has us reconsidering our presence, as they have become extremely sensitive to nude images.

A proposal, to transfer funds the region has been stewarding in a trust for a landed club in New Mexico to a non-landed club in New Mexico, was defeated.

The Scholarship Committee announced it will be printing a new brochure about the program and distributing them to the clubs in coming weeks. The goal is to inform members about the program and increase participation.

Ricc reported the Passport program has had great success in its opening weeks. He hopes we will collect prizes from all the clubs in coming months for the raffle.

The Nominations Committee reminded everyone that all four regional officers will be up for reelection in July as well as half the Board of Directors, five positions. Two cannot run again due to term limits so we need to ask around through the clubs to see if we can find volunteers to join the Board.

Last, the Board agreed to front \$1000 for a stage production at this year's Los Angeles Fringe Theater in June. One of our members is producing a one act play where all the actors will be nude, and the audience will also be required to be nude. A similar play two years ago was a big hit and made enough money to repay AANR-West. We hope history will repeat itself!

After the meeting adjourned, those Board members who remained got to engage in some interesting conversations with the members of Lupin about the benefits of AANR membership. Lori Kay Stout, the park's owner, sat down with several of us and we had a very informative discussion about her plans for Lupin and how to increase its membership.

The skies finally cleared Sunday morning and we spotted a family of deer on the main lawn, nibbling at the grass/ Before driving home we could not help but linger a bit more, enjoying the very green trees and lawn. We all agreed we had to return to Lupin again soon so we could enjoy its many facilities.

AANR Officers (l-r): VP Patty Faber, President Kathy Watzel, Secretary Kathy Smith, Executive Director Erich Schuttauf.

## AANR Mid-Winter Trustee Meeting Held at Lake Como, Florida

By Gary Mussell, AANR-West President

I represented the Western Region at the annual AANR Trustee meeting held at Lake Como, Florida, February 8-9. Walt Stephens, our elected Trustee, could not attend.

Trustee Ralph Collinson (FL) revealed the results of a phone survey done last December of 1500 current members. 76% of those called were positive about their AANR experience; 69% think the Bulletin provides relevant information; but only 37% were aware AANR had a Facebook and Twitter page.

President Karen Watzel announced she had appointed Erich Schuttauf as permanent Executive Director. Schuttauf focused his remarks on Government Affairs (GAT) and the recent NCSL (National Conference of State Legislators) trade show where AANR hosted a booth and reviewed proposed state legislation and court cases with local officials who for the most part were ignorant about social nudism.

Joan Harris chaired a session that focused on AANR changing its longstanding Mission and Vision statements. The reason for the change was the Board feel the current club-centric statement no longer reflected what the organization needed to do in order to attract the next generation of members or other cultural/racial/ethnic groups.

A Young Naturist delegate stood up to explain we can't expect young people to come to us, that we must go to them. That means involvement in local World Naked Bike Rides, Top Freedom rallies, heavier use of social media etc. The young delegate suggested we start Meetup groups in areas where there are few clubs around so at least they can meet. He added that his generation has no problem with LGBTQ and if those persons are not welcome at club, the young people won't come either.

Many of the Trustees said they agreed with the young representative, but some of the clubs voiced reluctance to do events off their grounds.

Trustee Karen Lahey led a discussion about how to enforce the AANR anti-discrimination rule without stepping on a club's right to run its own business. No conclusions were reached.

Lahey also reported on the new Member Management Software program that AANR recently purchased to replace the 30-year-old system currently in use. Conversion will take a minimum of six months and perhaps as long as a year, but she predicted all the clubs will appreciate the changes and the new reporting capabilities it will bring. When finished, members will be able to renew on line automatically to a specific club instead of going into the general Associate pool.

The Trustees also approved its 2019 budget. The document projected \$913,000 income for the upcoming year, but it also projects a net loss. The Trustees were not happy about this but accepted it as necessary to afford all the necessary upgrades.

AANR Mid-West President Richard Quigley reported that the Regional Presidents still want AANR to adopt a universal background check system which currently is totally optional at the club level. No action was taken on the request.

Trustee Joan Harris leads discussion about broadening AANR's mission and vision.

## There's Always Something Happening Around the Region!

Below is a list of major club activities for the next several weeks from around the region. This is only a partial list. Visit the [aanrwest.org](http://aanrwest.org) web site for a more complete list. Click on the club link at right to view some details about the event at the club's web site.
